

# WHAT TIME IS IT?

It's...

If you look at the clock, the long little hand is pointing to number (12),  
And the short little hand to number (3),

So, the time:

It's three o'clock.

Here, there are some examples for you:

- ✓ It's half **past** seven ----- (7:30) or (19:30)
- ✓ It's **(a) quarter to** eleven ----- (10:45) or (22:45)
- ✓ It's **(a) quarter past** eight ----- (8:15) or (20:15)
- ✓ It's twenty **past** two ----- (2: 20) or (14:20)
- ✓ It's five **to** ten ----- (9:55) or (21:55)

REMEMBER: It's (MINUTES) + (HOURS)
